

Curriculum Vitae
Joseph Barney Stanford, M.D., M.S.P.H.
September 2002

I. PERSONAL DATA

Contact Information

Health Research Center
Department of Family & Preventive Medicine
375 Chipeta Way, Suite A
Salt Lake City, UT. 84108

II. EDUCATION

Baccalaureate

University of Utah, Salt Lake City, UT; **9/1978 to 5/1980**
Honors at Entrance Scholarship
Mankato State University, Mankato, MN; **1/1983 to 6/1984**
Bachelor of Arts, magna cum laude June 1984
Major in chemistry and Minor in mathematics

Medical School

University of Minnesota Medical School, Minneapolis MN; **8/1984 to 6/1988**
Doctor of Medicine; **6/1988**

Residency

University of Missouri-Columbia, Department of Family and Community Medicine
Resident; **7/1988 to 6/1991**
Chief Resident; **7/1990 to 6/1991**

Specialty Certification

Diplomate of the American Board of Family Practice; **7/1991**, recertified **7/1997**

Fellowship

University of Missouri-Columbia, Department of Family and Community Medicine; **7/1991 to 6/1993**
Master of Science in Public Health; **5/1993**

Medical Licensure

Utah 1993
Missouri 1989

Other Certificates

Advanced Life Support in Obstetrics, Instructor Training; **5/1993**
Advanced Cardiac Life Support
Advanced Trauma Life Support
Neonatal Resuscitation Provider
National Cancer Institute Trainer for Smoking Cessation
Natural Family Planning Medical Consultant Training Program of the Pope Paul VI Institute for the Study of Human Reproduction and Creighton University; **6/1992**

Participant in the Summer Training Institute for Randomized Clinical Trials Involving Behavioral Interventions, sponsored by the Office of Behavioral and Social Sciences Research, National Institutes of Health; 6/29/2001 through 8/10/2001.

III. PROFESSIONAL EXPERIENCE

Academic Positions - (Full-time)

University of Utah, Department of Family and Preventive Medicine (Health Research Center)

Associate Professor with Tenure; 7/2002 to present

Primary Care Research Team Leader; 7/2001 to present

Assistant Professor, Tenure Track; 7/1996 to 6/30/2002

Assistant Professor, Clinical Track; 8/1993 to 6/1996

University of Missouri-Columbia, Department of Family & Community Medicine

Clinical Instructor; 7/1991 to 6/1993

Federal Research Advising

Invited core member of working group on Fertility and Early Pregnancy, National Children's Study (Germaine Buck, PhD, and Robert Chapin, PhD, Co-chairs) NICHD, NIEHS, CDC, EPA, DHHS; 9/2001 to present

Invited participant at Research Conference on Unintended Pregnancy, sponsored by USAID and CDC, Washington, D.C.; October 31, 2001

Guest Faculty Activities

Guest Presenter for Honors 3371-1, Ethics in Reproduction, University of Utah; 4/3/2000

Course Faculty for Advanced Life Support in Obstetrics course, Salt Lake City, UT; 8/1995; 8/1996; 8/1997; 11/1998; 1/2001; 6/2002

Course Co-Coordinator for Advanced Life Support in Obstetrics course, Salt Lake City, UT; 8/1995

Course Faculty for Advanced Life Support in Obstetrics course, Midway, UT; 8/1994

Guest Lecturer for Introduction to Family Studies Course 2400, University of Utah; 3/4/1999

Guest Faculty for Adult Ambulatory Care Course for Nurse Practitioner Students, University of Utah College of Nursing; 3/1995

Guest Faculty for courses to train Natural Family Planning Medical Consultants (Creighton Model), Omaha, Nebraska; 4/29/1995; 11/12/1996

Guest Faculty for comprehensive training courses for Fertility Care Practitioners (Creighton Model), Salt Lake City, Utah; 5/1994; 11/1994; 9/1996; 2/2001; 9/2001

Guest Faculty for comprehensive training courses for Fertility Care Practitioners (Creighton Model), Albuquerque, New Mexico; 1/1993; 9/1993; 1/1994; 6/1994; 3/1995; 9/1995; 2/1996; 8/1996; 10/2001; 5/2002

Guest Faculty for comprehensive training course for Natural Family Planning Practitioners (Creighton Model), St. Petersburg, Florida; 11/1992

Consulting Activities

Research in interest promoting natural family planning services

Twin Cities Natural Family Planning Center, St. Paul, Minnesota; 4/26/1995

Establishing natural family planning services within a hospital network
Mt. Carmel Health System, Columbus, Ohio; 7/7/1995

Editorial Experience

Member, Editorial Board, Perspective on Physician Assistant Education; 10/1997-present

Peer manuscript reviewer: American Family Physician
Journal of Family Practice
Perspectives on Sexual and Reproductive Health
American Journal of Epidemiology
Fertility and Sterility

Research Awards: Extramural Grants

"Defining the dimensions of pregnancy intendedness" (PI)
TS-0785
CDC

"Clinical research in human fertility" (PI)
K23 Award 1K23 HD0147901-01A1
NICHD

"Analysis of psychosocial factors in prenatal care utilization" (PI)
Thrasher Research Foundation
in direct costs; 2001

"The variation in fecundity within the menstrual cycle" (PI)
Generalist Physician Faculty Scholar Award from the Robert Wood Johnson Foundation
in direct costs over four years; 1996-2000

Research Awards: Intramural Grants

"Defining the dimensions of pregnancy intendedness" (PI)
with M.J. DeWitt, P. Jameson, and R. Fischer.
Health Research Center, Department of Family and Preventive Medicine, U. of U.
in direct costs; 3/1998-12/1998

"Exploring the perceptions of providers about primary care vs. subspecialty care" (PI)
with D. Pedersen and L. Li.
Health Research Center, Department of Family and Preventive Medicine, U. of U.
in direct costs; 12/1997-9/1998

"Defining the concepts of unintended, unplanned, and unwanted pregnancy" (Co-PI)
with R. Fischer, M.J. DeWitt, and P. Jameson.
Health Studies Program, Department of Family and Preventive Medicine, U. of U.
in direct costs; 2/1996-12/1996

"Survey of Utah couples' interest in NFP" (PI)
Health Studies Program, Department of Family and Preventive Medicine, U. of U.
in direct costs; 6/1994-12/1995

"Mucus and menstrual cycle characteristics in women discontinuing oral contraceptives" (PI)
1) Health Studies Program, Department of Family and Preventive Medicine, U. of U.
in direct costs; 6/1994-5/1995

2) Small research grants Program, Department of Family and Community Medicine, University of Missouri-

Columbia.

in direct costs; **1/1992-12/1992**

IV. SCHOLASTIC HONORS

General

Generalist Physician Faculty Scholar Award, Robert Wood Johnson Foundation (one of 11 faculty and one of two family physician faculty in U.S.A. chosen in 1996); **1996-2000**

Outstanding medical consultant award (one award issued per year), American Academy of Natural Family Planning; **2000**

Research

Research award of the American Academy of FertilityCare Professionals for the research paper published in 2001 which gives the most useful scientific information relevant to natural family planning. **July 17, 2002.**

Research Award of the American Academy of Natural Family Planning for the research paper published in 2000 which gives the most useful scientific information relevant to natural family planning. **July 28, 2001**

Research award of the American Academy of Natural Family Planning for the research paper published in 1999 which gives the most useful scientific information relevant to natural family planning. **July 29, 2000**

Research award of the American Academy of Natural Family Planning for the research paper published in 1998 which gives the most useful scientific information relevant to natural family planning. **July 24, 1999.**

Invited Observer at the Pontifical Academy of Sciences Working Group on Natural Fertility Regulation, Vatican, Rome, Italy; **11/1994**

Teaching

Outstanding Family Practice Faculty Teacher at Northeast Family Health Center, selected by clinic residents; **1995-1996; 1997-1998**

Outstanding Family Practice Faculty Teacher at Northeast Family Health Center (formerly Moreau Family Health Center), selected by clinic residents; **1994-1995**

Outstanding Family Practice Faculty Teacher at Moreau Family Health Center, selected by clinic residents; **1993-1994**

Outstanding Family Practice Faculty Teacher at University of Utah, selected by all U. family practice residents; **1993-1994**

Medical School

Lange Medical Publications Student Award (one of two in the class of 1988 chosen by the Medical School Student Council); **6/1987**

V. ADMINISTRATIVE EXPERIENCE

University of Utah

Associate Medical Director, Utah Physician Assistant Program; **7/1995 - 6/2001**

Assistant Director for DFPM Summer Medical Student Research; **5/1994 - 6/1998**

Director for DFPM Summer Medical Student Research; **7/1998 - present**

Society of Teachers of Family MedicineCo-Chairperson, Group on Fellowship Training; **5/1992 to 5/1994**Resident Representative to the Board of Directors; **9/1990 to 8/1991**Organizer for the 1991 STFM Resident and Student Research Forum; **8/17/1991****American Academy of FertilityCare Professionals**

(formerly American Academy of Natural Family Planning)

President; **7/1998 - 6/1999**Board of Directors; **7/1997-7/2000**Chairperson, Science and Research Committee; **8/1993 to 7/1997**Annual National Meeting Site Host; **7/1997****Miscellaneous**List Co-Owner, *NFPLIST*; **7/1997 to present**international internet list for professionals concerned with natural family planning
only list of its type; membership over 250 as of 1/2001List Owner, *Family-L* (discussion list for academic family medicine); **8/1992 to 6/1994**

the only internet list for academic family medicine during that time

pioneered development of the now thriving list; membership from 50 to over 200 in 6/1994

VI. PROFESSIONAL COMMUNITY ACTIVITIES**Society of Teachers of Family Medicine**Member, Education Committee; **9/1990 to 8/1991**Member, Group on Family-Centered Perinatal Care; **1990 to 1995****American Academy of Family Physicians**Attended National Congress of Family Practice Residents (NCFPR); **8/1989, 8/1990, 8/1991**Reference Committee Member at NCFPR; **8/1991****American Academy of FertilityCare Professionals**

(formerly American Academy of Natural Family Planning)

Member, Science and Research Committee; **1992 to present**Member, Continuing Education Committee; **1995 to present**Member, Ad Hoc Committee for Third Party Reimbursement; **1995 to present**Website Coordinator; **2001 to present**Certified as Natural Family Planning Medical Consultant; **1/1994**; recertified **1/2002****National Service**National Advisory Board, *Family Honor* (nonprofit organization)**State Service**Advisor for Development of Pregnancy Risk Assessment Monitoring System (CDC project adopted by Utah State Department of Health); **1999- present****Local Medical Community**Member of Institutional Review Board, Salt Lake Regional Hospital; **7/2002-present**Secretary, Department of Family Practice, Salt Lake Regional Hospital; **3/2000-6/2002**Member of perinatal care committee, Salt Lake Regional Medical Center; **1995-1999**Volunteer attending physician for Saturday Clinics for the Homeless organized by the University of Utah Medical Students, Downtown Salt Lake City; **1994-present****Community Professional Service**President, Intermountain Fertility Care Services; **2/2002-present**Ad Hoc Committee for Fertility Awareness of Utah (Natural Family Planning Services), **8/1993-1/2002**

VII. UNIVERSITY COMMUNITY ACTIVITIES**University of Utah**

Appointed to University Funding Initiative Seed Grant Committee; **8/2000-present**

Appointed Chair of Academic Senate Nomination Committee for the School of Medicine; **1999**

Appointed to University Special Task Force on Advanced Practice Nurses; **1996**

Department of Family and Preventive Medicine

Member, DFPM Tenured Faculty Review Committee; **7/1997-present**

Member, DFPM Task Force "Think Tank" for Interdisciplinary Research and Education.; **7/2000-6/2001**

Member, DFPM Committee for Health Studies Fund; **7/2000-6/2001**

Member, DFPM Research Committee; **Fall 1996-Summer 1998**

Member, DFPM Residency Selection Committee; **7/1995 to 6/1997**

Member, DFPM Faculty Recruiting Committee; **1995**

VIII. MEMBERSHIP IN PROFESSIONAL SOCIETIES

American Academy of Family Physicians

American Academy of FertilityCare Professionals

American Public Health Association

American Medical Association

Collegium Aesculapium

North American Primary Care Research Group

Society for Pediatric Epidemiologic Research

Society of Teachers of Family Medicine

Utah Academy of Family Physicians

Utah Medical Association

IX. TEACHING RESPONSIBILITIES/ASSIGNMENTS**Didactic Teaching**

Core Faculty (with _____); Introduction to Maternal and Child Health (FPM 6958) for public health students. Responsible for modules on fertility, family planning, reproductive health, and perinatal health. (9 students); **7/2002-8/2002**

Co-Coursemaster (with _____); The Art of Medicine course for first year medical students (102 students); **2000-2001**

Core faculty for Evidence-Based Medicine Program (helped to develop this core course for the Physician Assistant Masters Degree Program): Utah Physician Assistant Program (32 students in course yearly); **8/2000-6/2001**

Coursemaster and Instructor, Adolescent Medicine, Utah Physician Assistant Program (32 students in course yearly); **5/1996-6/2000**

Faculty for presentations on multiple topics to family practice residents: Wednesday Afternoon Didactic Teaching Sessions (2 sessions per year; 36 residents); **1993-present**

Lectures on fertility awareness and natural family planning to medical students for reproductive organ systems course; **4/2001; 5/2002**

Lectures on fertility awareness research to medical students for summer medical student research seminar series; **7/2000; 7/2001**

Lectures on fertility awareness and natural family planning to obstetrics and gynecology residents in training; **5/1998; 9/2002**

Graduate Student Supervision

Thesis Committee Chair for: _____ MPSH Candidate, University of Utah, **2002-present**

Subsequent Employment: pending

Thesis Committee (member) for _____ PhD Candidate, Department of Counseling Psychology;

5/2000-present

Subsequent Employment: pending

Thesis Committee Chair for _____, MPSH Candidate, University of Utah, 2000-2001

Subsequent Employment: Administrator, Sierra CommCare, Inc./Creating Healthy Lives

Thesis Committee (member) for _____, CNM/M.S. Candidate, University of Utah; 1998-1999

Subsequent Employment: Midwife in private practice

Thesis Committee (member) for _____, MStat Candidate, University of Utah; 1997-1998

Subsequent Employment: University of Utah College of Nursing

Thesis Committee (member) for _____, MSPH Candidate, University of Utah; 1995-1996

Subsequent Employment: full-time student

Thesis Committee (member) for _____, CNM/M.S. Candidate, University of Utah; 1996

Subsequent Employment:

Graduate Advisor to MPH and MSPH Students; 1997-present

Faculty Advisor to medical students; 1993-present

Research Mentoring

Research mentor for six first-year medical students in the DFPM Summer Medical Student Research Program; 1994-2000

Research mentor for eight fourth-year medical students in the DFPM Medical Student Honors Program; 1994-2000

Research mentor for two family practice residents; 1995-1997

Research mentor for three premedical students at University of Utah; 1996-2001

Research mentor for five medical and premedical students in summer research program of the Department of Family and Community Medicine, *University of Missouri-Columbia*; 1991-1993

Clinical Teaching

Attending physician for ambulatory care teaching for family practice residents, University Sugarhouse Family Health Center; 1/2001-present

Attending physician for ambulatory care teaching for family practice residents, Northeast Family Health Center (formerly Moreau Family Health Center); 8/1993-12/2000

Attending physician for inpatient care teaching for family practice residents, Salt Lake Regional Medical Center; 8/1993-present

Clinical preceptor for physician assistant students; 1999-present

Clinical preceptor for family practice rotation (one month rotations) for five third-year medical students; 1993-1997

Faculty Development

Investigator/Coordinator, faculty development in family practice grant from Division of Family Practice to Bureau of Health Professions, Health Resources and Services Administration, (PI- Steve Ratcliffe, MD, MSPH); 7/1998-6/2001

Co-coordinator and core presenter for monthly faculty development seminar series for new family physician faculty. Topics include primary care research, epidemiology, medical informatics, evidence-based medicine, and medical writing; 7/1997-present

Presenter for "Faculty Afternoon Teaching Sessions" (faculty development sessions for full-time and volunteer clinical faculty in local family practice residencies) on various topics, including primary care research, medical writing, medical informatics, and colposcopy; 1/1997-present

X. CLINICAL ACTIVITIES

Provide outpatient care through University Sugarhouse Family Health Center; **1/2001-present**

Provide inpatient and obstetric care through Salt Lake Regional Medical Center, University of Utah Hospital, and Primary Children's Medical Center; **8/1993 to present**; also affiliated with LDS Hospital; **9/1996 to present**.

Volunteer primary care physician for Polyclinic (Athlete's Village) for 2002 Winter Olympic Games and 2002 Paralympic Winter Games in Salt Lake City; **2/2002-3/2002**

Provided outpatient care through Northeast Family Health Center (affiliated with University of Utah); **8/1993-12/2000**

Medical Consultant backup for family nurse practitioners at University of Utah BirthCare HealthCare (free-standing birth center and primary care center); **5/1994 to 12/1999**

Joint clinic practice with Janis C. Lemaire, RN-C, MSPH, at the Green Meadows Family Medicine Clinic at the *University of Missouri-Columbia*; **8/1989 to 6/1993**

Cherchez La Femme Birth Services, Ltd., *Columbia, Missouri*; Part-time staff physician working with certified nurse-midwives to provide perinatal care; **5/1991 to 6/1993**

Presentations

International Presentations

“Vulvar mucus observations and the probability of pregnancy”
European Society for Human Reproduction and Embryology (Vienna, Austria); **7/2/2002**

“Variation in fecundity in the menstrual cycle”
European Institute of Family Life Education (Milan, Italy); **7/1/2000**

National Presentations

“Day-specific probabilities of pregnancy and time to pregnancy” (Research Methods Presentation)
Annual Conference of the Society for Pediatric and Perinatal Epidemiologic Research; **6/18/2002**

“Estimating prefertilization and postfertilization effects of the intrauterine device” (Research Poster)
with R. Mikolajczyk, MD
Population Association of America; **5/9/2002**

“Qualitative investigation of pregnancy intendedness in adolescent women”
with D. Hobbins, MSN, APRN
Psychosocial Workshop 2002 (Population Association of America), **5/7/2002**

“Psychosocial factors affecting Hispanic women’s prenatal health behavior” (Research Poster)
with C. Carter, MS-3
Annual Conference of the Society of Teachers of Family Medicine; **4/28/2002**

“Men’s perspectives on pregnancy intendedness”
Psychosocial Workshop 2001 (Population Association of America); **3/28/2001**

“Variation in fecundity in the menstrual cycle” (Research Poster)
Annual Conference of the Society for Pediatric and Perinatal Epidemiologic Research; **6/14/2000**

“Qualitative investigation of pregnancy intendedness”
part of panel discussion, “Unintended pregnancies: some new perspectives”
(in absentiae due to accident)
with L. Klerman, DrPH, M. Sable, DrPH, and W. Miller, MD
Psychosocial Workshop 2000 (Population Association of America); **3/21/2000**

“Defining the dimensions of pregnancy intendedness”
with M. Jann DeWitt, Ph.D
Research Conference on the National Survey of Family Growth, Hyattsville, MD; **10/14/1998**

“Exploring the perceptions of providers about primary care vs. subspecialty care”
Semiannual Meeting of the Association of Physician Assistant Programs, Salt Lake City, UT; **5/23/1998**

“Modeling the secondary effects of hormonal contraception”
Annual Meeting of North American Primary Care Research Group; **11/13/1997**

“Exploring the concepts of unintended, unplanned, and unwanted pregnancy”
with M. Jann DeWitt, PhD,

Annual Conference of the Society of Teachers of Family Medicine; 5/5/1997

"Natural family planning: a neglected option"

Annual Conference of the Society of Teachers of Family Medicine; 4/30/1996
